

DELTONA

Written by Debbie

Saturday, 06 August 2011 21:05 -

Deltona is diverse with cultures and citizens that come together as one to keep their City beautiful, safe and well informed. The City's official flower is the Red Ruffle Azalea, and the Florida Scrub Jay, the City's official bird, is abundant throughout the City as well. Deltona came into being as a City in 1995, and is changing and improving daily. With almost 90,000 residents, people of all ages are accommodated with social/sports events to fill their days and reach out to others.
